Everyone Can Leave A Legacy

Leave a greater gift

**Everyone can leave a legacy.
A Greater Gift is the best
way to benefit a cause or
charity, while enhancing the
lives of future generations.**

**At The Community
Foundation of Singapore
(CFS), we help givers make
a deeper impact on the
causes they care about.**

The Community Foundation of Singapore (CFS) is a registered charity with Institution of a Public Character (IPC) status. Founded in 2008 to encourage and enable philanthropy in Singapore, our purpose is to create meaningful change.

Everyone has a passion. What's yours?

By leaving a legacy, you leave a lasting impact on the causes closest to your heart.

People of all ages, from all walks of life can live and leave a legacy to support the community. In Singapore, more than half of respondents in a recent study agreed that legacy giving is a way to make a difference to the future.¹

[Talk to us to start your giving.](#) Let these stories of giving inspire you to plan a Greater Gift today.

“Contributing to a better future for everyone, leaving no one behind, there can be no Greater Gift than that.”

Dipa

Witnessing migrant workers labouring without raingear, Dipa was inspired to step up and help them feel like part of the wider community.

Dipa's Greater Gift will be providing a safety net for the obstacles migrant workers may encounter, ensuring that their efforts and dreams to provide their families back home with a better future are fulfilled.

Hian

Entrepreneur and venture capitalist Hian believes that all enterprising minds in Singapore should have the chance to fulfil their vision, driving progress in Singapore and creating even more opportunities for others to follow suit.

Hian's Greater Gift will give these dreamers access to support and funding that will help them bring their ideas to market. He believes that everyone runs out of energy one day – a legacy gift to charity ensures one's life work can continue.

“Innovation has a place in Singapore. We were built on it; it has to continue.”

Audrey and Beng Ti

When Audrey and Beng Ti's son was diagnosed with a rare vision disorder, it opened their eyes to the struggles of children suffering from low vision. With the help of other parents and professionals, they created a support system for these children, with tools to navigate the world.

Audrey and Beng Ti's Greater Gift will help these children integrate into mainstream school life and beyond, helping them live their lives to the fullest.

“We would love if our story inspires people to consider our communities, and begin thinking about how they, too, can make a difference, even after they're gone.”

Kris and Kang Ning

From a young age, Kris had a deep passion for music. Through her work with CFS, she supports the development of the arts in Singapore and inspired her daughter Kang Ning, as well.

Kris's Greater Gift will give young talents a stage to showcase their talents, encouraging Singaporeans to rethink their relationship with music and the arts. Kang Ning hopes to continue her mother's legacy.

“We all have our passions. Ours is music. What is yours?”

“Start where you are, use what you have, do what you can. Giving from our hearts, there's no Greater Gift than that.”

Nadia

As someone who went to school with the help of financial assistance, Nadia knows how precious it is to be given an opportunity by someone who believes in you. She believes the same youth who find it challenging to stay in school, and out of trouble, also have the potential to do great things given the right support.

Nadia's Greater Gift will provide guidance, a lasting lifeline that at-risk youth can turn to in times of need.

What is a Greater Gift?

A Greater Gift is a planned future gift to a cause you're passionate about.

After your family's needs are taken care of, a suitable sum can be set aside for charity in a manner decided by you.

WHAT CAN I GIVE?

The simplest way to make a legacy gift is through your will or trust. You can donate to your existing or new donor advised fund, or give an unrestricted gift directly to The Community Foundation of Singapore.

Cash

You may designate a cash gift to The Community Foundation of Singapore.

Insurance

You may nominate The Community Foundation of Singapore as a beneficiary of your policy.

CPF Monies

You may nominate The Community Foundation of Singapore as the beneficiary of your CPF.

Marketable Securities

Gifts of marketable securities include shares, bonds and unit trusts listed on major stock exchanges. You may include them in a bequest in your will or trust.

Other Assets

You may wish to gift real estate or tangible property. Speak to us about the possibilities.

HOW CAN I GIVE?

- 1 If you have a diverse range of charitable interests and would like to structure your grantmaking over time, CFS has the expertise to enable your giving intentions.
- 2 If you already have a particular cause in mind, CFS can work with you to enable your support just the way you planned.
- 3 You may also wish to make your legacy gift directly to a charity.

Unrestricted gifts are especially valuable and allow charities flexibility in applying your generosity to future needs.

WHAT CAN MY LEGACY GIFT SUPPORT?

Give a Greater Gift for the greater good.

We engage with a wide range of charities of varying sizes across sectors, to benefit diverse communities.

This way, you can realise your giving intentions and make a difference to the causes you care about – and with our expertise, CFS can help you focus your giving to help charities and the individuals they serve.

Make a plan that grows as you do.

By taking the time to plan and consider a legacy gift, you can ensure you have ample opportunities to explore your giving intentions and set aside the sum you wish to give at a later date.
